Re: York v. City of New York, 22-cv-06432

Dear Judge Scanlon:

I am co-counsel for Plaintiff in the case above. I write regarding pending deadlines in the case above. The parties are engaging in settlement discussions, and believe that a settlement conference may be useful to put on the calendar following a trade of demands and relevant information.

In order to focus on settlement, the parties would appreciate if the Court stayed other discovery deadlines, understanding that the parties will exchange documents — medical records and the expert write-up, for example — that serve settlement purposes. Pending that, we ask that the Court stay the deadlines set in its March 6, 2023 Minute Order until following a settlement conference. Likewise, we ask the Court to re-set the deadline to complete discovery until following that conference.

Finally, we ask that the Court set a settlement conference for some time following the 60 days requested in ECF No. 14.

Defendants consent to these requests.

As ever, I thank the Court for its time and consideration.

Respectfully submitted,

/s/
